WHY SHOR?

More than 4,000 homeless individuals live in the city of Baltimore, alone. Recent reports show over 600 adolescents and young adults live in the city without a parent or guardian. These young people are forced to grow up too quickly, having to bear the burden of how to provide for their daily food, clothing and shelter needs at a time when they should have the opportunity to learn about themselves and build life skills for the future.

SARAH'S HOUSE OF REFUGE, INC. is a safe haven for youth and young adults ages 12-21. We envision a state of the art facility that provides an atmosphere conducive for the spiritual, mental, physical, educational and recreational needs of all participants to be met.

NOAH'S ARC OF SAFETY is an extension of SHOR that provides child care services for our incoming expectant teen mothers or custodial teen fathers of a child up to age 4. This extension will enable young parents to continue and complete their education, all the while eliminating the thoughts and worry of having to drop out of school due to being unprepared and ill-equipped for such responsibilities.

ABOUT US

SHOR, Inc. is a faith-based 501 (C) (3) non-profit organization dedicated to enhancing the lives of homeless, displaced, unaccompanied and those at risk of becoming homeless youth and young adults in the Baltimore metropolitan areas. SHOR will utilize biblical principles to serve as a channel for our participants to learn about themselves, honor themselves, and allow themselves to share with others the importance of living a life of fullness. It is our

desire to utilize this approach to create and foster an environment that promotes excellence and unity among our participants. SHOR strives to help minimize negative behaviors witnessed by our participants on a daily basis. Our programs and activities are intended to serve youth and young adults exposed to crime, violence, homelessness and other destructive behaviors.

MISSION STATEMENT

SHOR, Inc. is a 501 (C)(3) organization designed to unite individuals with and without disabilities to become vibrant, dynamic, committed men and women of God in the areas of education, social, spiritual and career development, maximizing one's potential through the transformation of the mind in an effort to create a legacy and higher quality of life allowing participants to take their rightful place in today's society.

VISION

SHOR, Inc. envisions participants equipped with the essential tools necessary to remove self, as well as, generational-imposed boundaries by using the

word of God to develop character, confidence and self-esteem while blossoming into self-sufficient role models in their communities and beyond.

SHOR Guarantee

What makes our program unique is the fact that we will require all participants to complete high school or a GED program and further their education. Each participant accepted into our program will have a peace of mind knowing that he/she is able to live in our residential home community for the duration of their time in high school and that we will work along with them as they pursue college or trade school and transition to independent living. Our aim is to help young people set goals for their future and achieve them. Each young person who comes through our program will have a family of support to help them accomplish their goals; we will work as one team, learning and growing together. We take pride in knowing that our future participants will grow into fine young women and men who become productive members of society.
